

2021 Independence Day Message from the Chair of the California Democratic Party's Veterans Caucus

Lest we forget, on the 4th of July in 1776, the United States gained independence from Great Britain by a Declaration of Independence made by the Continental Congress. 12 of the 13 North American colonies voted for the separation from Great Britain. Today we celebrate that independence.

In the spirit of this day, I leave you with a quote from John F. Kennedy

“I can imagine no more rewarding a career. And any man who may be asked in this century what he did to make his life worthwhile, I think can respond with a good deal of pride and satisfaction: ‘I served in the United States Navy.’”

With pride and admiration, we honor those who serve and have served to preserve our freedom. Happy 4th of July. We honor our veterans and thank them for contributing to our continued independence and freedom.

Happy Independence Day!!!
