

2021 Veterans Day Message from the California Democratic Party's Veterans Caucus

Veterans Day is observed on the 11th Day of November, which originally signified the ending of World War I and Armistice Day, to help focus attention on the important purpose of Veterans Day: A celebration to honor America's veterans, both men and women, for their patriotism, love of country, and willingness to serve and sacrifice for the common good.

We, at the California Democratic Party's Veterans Caucus, would like to thank our veterans for their time, bravery, and sacrifice for this country. We are forever thankful for what they have done to maintain America's freedom.

We are all blessed as we see the end of the COVID-19 pandemic in our grasp. If you have not yet received a vaccination, please do so. The holidays will swiftly be upon us. Be Safe!

Democratically yours,
